Section I. Product / Company Information

Product name: Emmet's Elixir
Identification number: not applicable
Supplier: Bally Block Company
30 South 7th Street
Bally, PA 19503
Phone (610) 845-7511
Fax (610) 845-3910
www.butcherblock.com

24 Hour emergency contact: Contact Bally Block Co. at (610) 845-7511 between 8 am and 4 pm EST

Further information:
Contact Bally Block Co. at (610) 845-7511 between 8 am and 4 pm EST

Section III. Hazards Identification

Principal routes of exposure: Eye and skin contact. Inhalation. Ingestion.
Potential health effects: Irritant to eyes, skin, and respiratory tract. Possible laxative effect if ingested.

Section IV. First Aid Measures

Eye: If present, remove contact lenses and flush eyes with water. Seek medical attention.
Skin: Remove contaminated clothing. Wash skin with soap and water.
Inhalation: Remove to fresh air. If difficulty breathing, give oxygen. Seek medical attention.
Ingestion: Wash mouth. Do not induce vomiting. As a precaution, seek medical attention.
Note to physician: Treat symptomatically.

Section V. Fire Fighting Measures

Flammability: May be combustible at elevated temperature.
Specific hazards: Avoid strong oxidizers. Avoid strong acids. Avoid sources of ignition.
Unusual hazards: None known.
Combustion products: Carbon monoxide, carbon dioxide, smoke, irritants.
Extinguishing media: Dry chemical, foam, carbon dioxide.
Equipment for firefighters: Self-contained breathing apparatus and full protective gear.

Section VI. Accidental Release Measures

Spill: Contain and absorb spilled material. Place waste into approved disposal container.
Ventilate area. Consult federal, state and local authorities for disposal regulations.
Do not allow spill to enter storm drain, sanitary sewer system or water bodies.

Section VII. Handling and Storage
Handling: Handle with good industrial hygiene and safety practice to minimize contact.
Storage: Store closed container in cool, dry, ventilated area. Store away from open flame and spark. Keep out of the reach of children.

Section VII Exposure Controls / Personal Protection

Engineering controls: Eyewash, safety shower, adequate ventilation.
Eyes: Safety glasses or goggles.
Body: Apron or lab coat.
Respiratory: None at normal conditions. If heated, use appropriate respirator.
Hands/skin: Oil resistant gloves.
Feet: Appropriate footwear.
Ingestion: Avoid. Handle with good industrial hygiene and safety practice.

Section IX Physical and Chemical Properties

Physical state: viscous liquid
Color: milky, off-white
Odor: lemon-rosemary
Melting point: not determined
Boiling point: not determined
Specific gravity: ~ 0.86 g/cm³
Vapor pressure: 1 mm Hg @ 20°C
Solubility: insoluble in water
Soluble in hydrocarbons
Flash Point: not determined

Section X Stability and Reactivity

Stability: This material is stable under normal conditions.
Incompatibility: Strong oxidizers. Strong acids.
Conditions to avoid: Do not freeze. Keep away from heat, open flames and sources of ignition.
Hazardous polymerization: None known.
Decomposition products: Carbon monoxide, carbon dioxide, possibly other organic compounds.

Section XI Toxicological Information

Routes of entry: Eye and skin contact. Inhalation. Ingestion.
Toxicity: See Section II for information on individual ingredients.
Chronic or other effects: Possible eye and skin irritant. Slight hazard from ingestion and inhalation.

Section XII Ecological Information

Testing not conducted. Do not release into storm drains, sanitary sewer systems or water bodies.

Section XIII Disposal Information

Waste disposal: Dispose of material in accordance with all local, state and federal regulations.
Do not allow material to enter storm drains, sanitary sewer systems, or water bodies.

Section XIV Transportation Information

DOT Classification: Please refer to the Bill of Lading/Receiving for up-to-date shipping information.

Section XV Regulatory Information

All ingredients in this product are listed on the (USA) EPA-TSCA Inventory.
Section XVI

Other Information

HMIS Ratings:
- Health: 1
- Flammability: 2
- Reactivity: 1
- Personal Protection: B (gloves, goggles)

Notice: This document has been prepared using data from sources considered to be reliable. It does not constitute a warranty, express or implied, as to the accuracy of the information contained within. Actual conditions of use and handling are beyond seller's control. All materials may present unknown hazards and should be used with caution. The user's obligation is to evaluate and use this product in a safe manner.
