

# Countertop Display Cabinet

An attractive, self-contained unit featuring large slide-out sample blocks

## Product Description

Pique interest and increase butcher block countertop sales with this display cabinet featuring large slide-out sample blocks of all seven species, including edge styles and grain patterns. With a generous-sized three-inch thick maple ogee top, this quality built cabinet is the perfect workspace on which to help customers specify a butcher block top and display sales materials. Finished in black lacquer with a built in sales literature storage drawer.
